THE ELECTRIC RAILWAY.—Complaint has been made on several occasions recently that certain trains on the electric railway refuse to stop for passengers at all street corners of this city. The Mayor last night had an interview in Washington with Dr. Abbot, manager of the road, for the purpose of bringing about a satisfactory settlement of the matter. According to the doctor's statement there are three trains during the day which stop only at the corner of King and Royal streets—the 7:20 and 8:20 a. m. trains from this city and the 4:15 p. m. train from Washington. These are what are called express trains, intended for tourists who desire to make quick trips between Washington and Mount Vernon. The 10 and 11 a. m., 12 noon and 1:23 p. m. trains stop at Wilkes, King and Royal, Alfred and Payne streets, where ticket offices and waiting rooms have been established. All the other trains, from 5:55 a. m. until midnight stop on any corner to take on or let off passengers. The company suggest that thirty or more strictly local trains, stopping at all way stations and at all street corners, are run between Washington and Alexandria, and that Alexandrians, by going to King and Royal street, have the benefit of the three express trains, and at Wilkes, King and Royal, Alfred and Payne streets that of the four Mount Vernon trains at 10, 11, 12 and 1:23 during the day. The company also claim that apart from the loss of time, it costs about eighteen cents to stop a train.

A new schedule will go into effect on Monday. Additional trains will leave Alexandria for Washington at 5:55 a. m. instead of 6:20 and 8:20 a. m. express (new trains), and 5:30 p. m. instead of 5. Leave Washington for Alexandria at 10:20 a. m. 4:15 p. m. express (new trains). The 5:45 p. m. train will be taken off. On Sunday trains will leave Washington every hour from 8:05 a. m. to 10:05 p. m. Leave Alexandria at 7:30, 9:05 and 10:21 a. m., and 21 minutes after each hour in the evening until 11:21 at night. Mount Vernon Park trains leave Washington every hour on Sunday from 10:05 a. m. to 9:05 p. m. Leave the park from 12 noon to 11 p. m. The new ticket offices on King street will be opened on Monday. Passengers will be expected to purchase tickets; otherwise extra fare will be charged.

TOURNAMENT.—The tournament at New Alexandria yesterday was a success in every particular. Among those present were a number of persons from this city. Sir Knight of Franconia (Moore) crowned Miss Annie Kramer queen; Sir Knight of the Old Dominion (Graham) crowned Miss Lula Kramer first of honor; Sir Knight of Fairfax (Clark) crowned Miss Mattie Hopfenmaier second maid of honor; Sir Knight of Oregon (Barnes) crowned Miss May Barnes third maid of honor. Sir Knight of the Old Dominion and Sir Knight of Fairfax had to run 3 ties off. The judges were Messrs. J. O. Kirby, J. E. Triplett and Ed. Hearst. A fight occurred, which would have resulted seriously but for the timely arrival of officers Martin and Hines. Kramer, the fancy trick bicyclist, gave an exhibition in the dancing pavilion. Mr. Ed. Dean had his face cut by treading on a loose board of the walk which flew up and struck him. The music was furnished by Prof. Caton's band.

THE REPUBLICAN COMMITTEE.—The Eighth District republican committee met to-day at Mr. Park Agnew's office, present Messrs. Agnew, Hine, McCabe and Dodge. Mr. Egbert, of Culpeper, was the only member of the committee absent, but he sent his proxy. It was decided to hold a convention at Culpeper on August 20th at 1:30 o'clock p. m., to nominate a candidate for Congress, the representation to be one delegate for each 200 republican votes cast at the election in 1888. Mr. Agnew has positively declined to permit his name to be used as a candidate for Congress.

SALE OF WATER STOCK.—Eight shares of stock of the Alexandria Water Company, the par value of which is \$50 per share, belonging to the estate of the late R. J. Daingerfield were sold to-day at public auction by Capt. R. F. Knox for Mr. J. T. Burke, administrator, and were purchased by Rev. G. H. Edwards, of Cincinnati, for \$92.25 per share. This is the highest price ever paid for this stock.

PERSONAL.—Miss Annie M. English is visiting friends in Loudoun county. Miss Dorcas Carlin is visiting Mrs. E. E. Johnson, at her home, "Clover Hill," near Manassas. Mrs. J. H. D. Snoot and family are summering at Colonial Beach. The young evangelist, Mr. John R. Matthews, of England, who so successfully conducted mission services last summer in this section of Virginia, arrived in Leesburg last week, and has been the guest of his friend, Rev. E. S. Hinks.—*Leesburg Washingtonian.* Miss Hannah Henderson has returned from Richmond, accompanied by her friend, Miss Gertrude B. Simpson, daughter of Col. Simpson, of the late C. S. A.

Ex-Mayor Strauss is sick at his home on Prince street. Mr. P. H. Lash and his sister, Miss Kate, have gone to Norfolk. Mr. Henry Wildt is visiting in Switzerland. Miss Lucy Bryan, of Staunton, is the guest of Miss Nettie Francis, No. 219 north Alfred street.

Judge Norton and Messrs. S. G. Brent, E. B. Taylor and G. L. Boothe have returned from Old Point, where they went to attend the meeting of the State Bar Association.

Mr. E. Goldsmith was taken suddenly ill at his store on King street yesterday evening and had to be assisted home. He was attended by Dr. Jones and to-day is much better.

Mr. H. C. Ansley and family have gone to Rapidan to spend the summer. Mrs. Josephine Jenkins and her daughter Ora have returned home from a pleasant visit to Hilltop, Md.

Mrs. M. B. Corse is at White Sulphur Springs. Mr. T. L. Callis and two daughters, Hattie and Annie, left this morning for "Oak Grove," Md., where they will spend the summer.

Mr. and Mrs. Henry Fairfax, of Aldie, Loudoun county, Miss Annie Tremont and Miss Hattie Ross, and Mr. Frank Davenport, of Richmond, and Mr. Alex. MacLeod, of Scotland, spent Wednesday night at the Shenandoah House, in this place. They were traveling in a Talleyho coach drawn by four beautiful hackneys. Mr. Fairfax is an extensive breeder of hackney horses. They were traveling in such manner as to get a full view of the beauties of the Shenandoah Valley.—*Shenandoah Herald.*

Mrs. Frederick Paff is quite ill at her home on north Patrick street. Mr. John Lunt, of St. Paul, is quite sick at the residence of his nephew, Mr. S. H. Lunt. Mr. Mayr Green is confined to his home by sickness.

COLLISION.—A northbound freight train on the Southern Railway collided with two freight cars which had been left standing on the track in the yard limits, a short distance west of this city, between nine and ten o'clock last night. The engineer, Thomas Bruce, was badly shaken up, but not seriously injured. The accident it is said was due to the carelessness of the engineer, who, while in the yard, allowed two freight cars, in reaching standing directly on the crossing of the two roads. The engine struck the cars broadside, and demolished them. The engine was also badly damaged, and it required three hours' work to clear the track.

POLICE COURT.—The following cases were disposed of last night: Peter Francis, charged with maintaining a nuisance on his premises, was dismissed upon promising to abate the same immediately. Thornton Blackwell, colored, charged with disorderly conduct and with threatening the life of an acquaintance, was sent to jail in default of bond to keep the peace. Edward Curtis, who had been locked up for drunkenness, was dismissed upon swearing off from strong drink for a period of one year. There were no cases for trial this morning. **Night Report.**—Last night was clear and cool. Three lodgers were at the station house.

ACCIDENTS.—Mr. John E. Gilson, an employee of the electric railway, in lifting a motor upon one of the cars at Four Mile Run this morning caught his foot under the motor and was painfully injured. Conductor A. H. Meeks of the Southern Railway fell upon the track of that road at Charlottesville this morning and broke his arm. Both men were brought to their homes in this city where they were attended by Dr. O'Brien.

Messrs. I. Schwarz & Son have purchased the entire stock of gentleman's furnishings of S. Fischer, of Washington. Mr. Fischer has the reputation of carrying one of the finest lines in the city. The stock was purchased at a ridiculously low price. Not having the room at their own store to display the stock they have rented the store, 416 King street, where the goods will be sold next week at half actual price. Read their advertisement in next Monday's paper.

NO MIDSUMMER DULLNESS at D. Bendheim & Sons. Everything and everybody full of bustle, excitement and business. The usual order of trade is being turned topsy-turvy by the bargains they present weekly. Read their announcement for Monday's sale.

Mrs. Rhodie Noah, of this place, was taken in the night with cramping pains and the next day diarrhoea set in. She took half a bottle of blackberry cordial but got no relief. She then sent to me to see if I had anything that would help her. I sent her a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and the first dose relieved her. Another of our neighbors had been sick for about a week and had tried different remedies for several days but kept getting worse. I sent him the same remedy. Only four doses of it were required to cure him. He says he owes his recovery to this wonderful medicine.—Mrs. Mary Sibley, Sidney, Minn. For sale by L. Stabler & Co., Druggists.

MOTHER AND CHILD INSTANTLY KILLED. A telegram from Norfolk says: "A fatal accident occurred at Little Moccasin Gap Thursday evening, in which Mrs. John Kimberlin and her little child met instant death. Mr. Kimberlin had returned from a hunt, and, placing his gun against the facing of the front door, went to the kitchen to kindle a fire for his wife to prepare supper. Their little child, which was playing nearby, went unheeded to the gun and knocked it over. In the fall the trigger struck a stop, and the weapon was discharged.
